

Supplementary Figure S3. Thematic Results – KidsFirst North Families. Factors of program success and barriers identified by KidsFirst North families.

Note: The centre circle illustrates the participant group; green circles represent themes identified as contributing to program success; orange circles represent themes identified as program barriers; the yellow circle represents the theme identified as contributing to both program success and program barriers. As the participants viewed each theme as important, the findings are displayed in figures as circles of the same size in no order.
